Signing up to refer your friends couldn't be easier, and with the rewards on offer, it couldn't be more worth it! For every friend or family member you refer, you'll earn 2% of every order they make for a year! That means £2 for every £100 spent through our website paid to you either through PayPal or as vouchers to spend with us.

All you need to do to refer someone is send them your unique link. Once they register and make their first purchase, their account will automatically be marked and you'll earn every time they order with us.
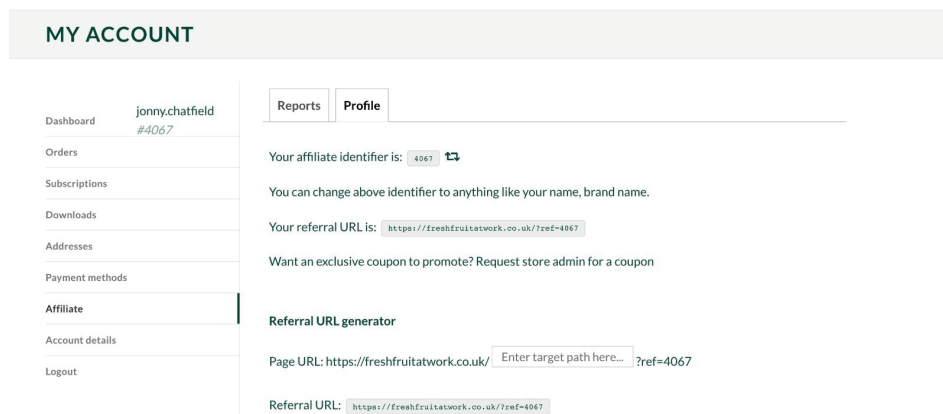

As a little bonus and to help get you started, you can request a voucher code through us which gives your friends and family 10% off their first order as well!

All you need to do is follow these simple steps.

Step 1: Access your referral dashboard by clicking the "affiliate" option on the 'My Account' dropdown menu.

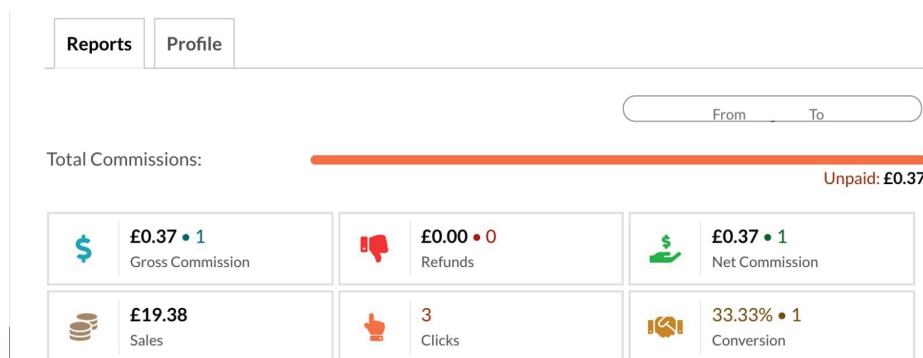

Step 2: On your profile tab under "Affiliate" you can see your 'Referral URL'. Copy this ready to share it with your friends and family directly, or even through your social media channels.

Step 3: Just below your 'referral URL' you can request your coupon for 10% off first order. If you click that, it will automatically populate an email, hit send and a member of our team will be in contact within 24 hours with a 10% off first order coupon to be used at checkout.

Step 4: Sit back, and watch your commission roll in using the "Reports" tab in your "Affiliate" dashboard.

It's really that simple, so start sharing and start earning! If you have any questions, please don't hesitate to contact us.
